ATTACHMENT B
PARTICULAR THINGS TO BE SEIZED

I. Information to be disclosed by LeaseWeb USA, Inc. ("Provider")

To the extent that the information described in Attachment A is within the possession, custody, or control of Provider, regardless of whether such information is located within or outside of the United States, and including any messages, records, files, logs, or information that have been deleted but are still available to Provider, or have been preserved pursuant to a request made under 18 U.S.C. § 2703(f), Provider is required to disclose the following information to the government for the Internet Protocol ("IP") address listed in Attachment A:

a. all records or other information pertaining to the IP address, including all files, databases, and database records stored by Provider in relation to that IP address or identifier;

b. a forensic image or snapshot of all data and information electronically stored on the server, including memory and deleted files, that host the IP address;

c. all information in the possession of Provider that might identify the subscribers related to that IP address, including names, addresses, telephone numbers and other identifiers, email addresses, business information, the length of service (including start date), means and source of

payment for services (including any credit card or bank account number), and information about any domain name registration;

d. all records pertaining to the types of service utilized by the user and

e. all records pertaining to communications between Provider and any person regarding the IP address, including contacts with support services and records of actions taken.

The Provider is hereby ordered to disclose the above information to the government within fourteen days of issuance of this warrant.

II. Information to be seized by the government

All information described above in Section I that constitutes fruits, evidence and instrumentalities of violations of Title 18, United States Code, Sections 1030(a)(5)(A) (computer fraud) and 371 (conspiracy to commit computer fraud), including, for the IP address listed on Attachment A, information pertaining to the following matters:

All information described above in Section I, for each IP address listed in Attachment A, that constitutes fruits, evidence and instrumentalities of violations of Title 18, United States Code, Sections 1030(a)(5)(A) (computer fraud) and 371 (conspiracy to commit computer fraud) in the form of the following:

1. Records and information revealing, referencing, or constituting the operation of the Emotet malware and botnet;

2. Records and information revealing or referencing persons who either collaborated, conspired, or assisted (knowingly or unknowingly) the commission of the criminal activity under investigation, or communicated with the account about matters relating to the criminal activity under investigation, including records that help reveal their location;

3. Records and information revealing and referencing how and when the account was accessed or used as part of the operation of the Emotet malware and botnet;

4. Transactional and location information pertaining to any items authorized to be seized under this section (Section II);

5. All bank records, checks, credit card bills, account information, and other financial records used to carry out the criminal activity under investigation;

6. Files, databases, and database records stored by Provider referencing, revealing, or constituting the operation of the Emotet malware and botnet;

7. Subscriber information related to the account(s) established to host the IP address in Attachment A, to include:

a. Names, physical addresses, telephone numbers and other identifiers, email addresses, and business information; and

b. Length of service (including start date), types of service utilized, means and source of payment for services (including any credit card or back account number), and billing and payment information.

This warrant authorizes a review of electronically stored information, communications, other records and information disclosed pursuant to this warrant in order to locate evidence, fruits, and instrumentalities described in this warrant. The review of this electronic data may be conducted by any government personnel assisting in the investigation, who may include, in addition to law enforcement officers and agents, attorneys for the government, attorney support staff, and technical experts. Pursuant to this warrant, a complete copy of the disclosed electronic data may be delivered to the custody and control of attorneys for the government and their support staff for their independent review.
